**State Championships**  
***Record not available***

***Kaemajae Michelle trialling career accumulated 24 Championship Points, full record not available***

***Progeny Winning Record not available***

## **IN BRIEF**

**Kaemajae Michelle, call name Mitch**

**Mitch was just lovely to own as a family pet at home and as a working Retriever dog.**

**From the moment we brought Mitch home she lived most of the time inside the home and never slept a night anywhere else but in her sleeping bag in the master bedroom.**

**From a young age Mitch and I spent numerous days out hunting, I was amazed at some of the retrieves the dog managed at such a young age, she just loved being out there.**

**Mitch and I had good times together at retrieving trials, I must say at the time when Mitch won her two Retrieving Nationals, it was very special. I will never forget her first National win when she was just out of Restricted level.**

**I feel privileged to have owned her and for the opportunity to train, hunt and compete at Retrieving Trials with her. She was my first Labrador Retriever and we both enjoyed the time we spent together.**
